

# Equine Anatomy & Physiology Certificate

**DISTANCE LEARNING**  
**12 months part-time (220 hours)**

This course is designed for future horse health professionals who are just beginning their exploration of the complex equine organism. It not only presents introductory material on the elegance and efficiency of the equine body, but it also shows what happens when things go wrong. To truly understand the equine body, one must appreciate both normal and abnormal structure and function.

## Course Duration

Recommended timeframe for the completion is approx 12 months part-time. Students have a maximum of 2 years to complete this course upon application (Fees apply).

## Delivery Mode

Distance education (correspondence).

## Intake dates:

There are no intake dates for distance learning courses, you can commence at anytime during the year.

## Prerequisites

There are no prerequisites for this course.

## Course Fees

**The upfront investment for this course is \$1595.00**

## Payment Plan

An installment plan is also available. Students who choose to pay by instalments go onto a payment plan which incurs a one off administration fee making the course \$1745.00.

### The breakdown is as follows:

Course Investment	\$1595.00
Less Deposit	<u>\$ 595.00</u>
Sub-Total	\$1000.00
plus 15% one off Ezypay admin fee	<u>\$ 150 .00</u>
<b>Total Balance</b>	<b>\$1150.00</b>

\$1150.00 is then divided into a single payment of **\$149.00** and a further 7 equal monthly payments of **\$143.00** which is direct debited from your nominated savings or credit account.

## Accreditation

Graduates are eligible to join the **Small Animal and Equine Naturopathic Association** as a full member.
